

Symbols.

*I am a fan because a fan fans out air and I fan out lots of ideas.
A fan is quite small and compared to the world around me I feel small as well.*

Background

There are my friends and they are batteries because I am a battery fan and my friends charge me up and give me energy.

Colour

*My colour is green because I like nature.
The batteries are orange because my friends are bright, happy people.*

Who am I?
